The Story Beyond 'I Do'

Your elopement isn't just about vows, it's about the whole journey—the waterfalls you chase, the cliffs you climb, the sunsets you linger under hand-in-hand.

That's why excursion sessions are part of my all-in elopement experiences. Together, we'll capture the moments in between: the laughter mid-hike, the awe of discovering somewhere new, the thrill of stepping into a memory you'll revisit forever.

Whether it's a sunrise sail, a mountaintop trek, wandering a historic village, or simply savoring a slow, golden evening—I'll be there to document the magic of it all.

Add an excursion session to your Silver or Gold elopement package for an additional \$750.

BOOKING POLICY Cancellation & Refunds

MINIMUM BOOKING WINDOW

Minimum booking window of 90 Days for elopements. Anything inside of that becomes a "short term" elopement subject to approval and expedited fees.

BOOKING

I require 50% non-refundable retainer due at time of booking to hold your spot on my calendar.

CANCELLATIONS

If you cancel more than 90 days out, you may receive a refund minus the retainer fee *or* be allowed to reschedule for an additional reschedule fee.

any third party fees already paid are the client responsibility.

FORCE MAJEUR CLAUSE

DO YOU OFFER OFFICIANT SERVICES?

Yes. I am also ordained which means not only can I capture your photography but I am also (legally) able to perform the ceremony!

CAN WE INVITE FAMILY, FRIENDS, OR PETS?

Absolutely! That's completely up to you. Many couples choose to just have themselves and maybe 1-2 special individuals; but you can also have a very small elopement ceremony. It's entirely up to you.

WHEN WILL WE RECEIVE OUR GALLERY?

Turnaround time is usually 60 days, although I try to create a small sneak peek gallery in 2 weeks

CAN WE HAVE THE ORIGINALS / RAWS?

No. It is industry-standard that wedding and elopement photographers <u>never</u> provide the originals / RAWS. I will never hold any amazing images from you! I pick the best ones, I cull the blinkers and stinkers. You have chosen me as your photographer because you love my style and trust in my trained eye.

DO YOU CHARGE TRAVEL EXPENSES?

Travel is included in most packages; unless there is a destination that requires additional travel or expenses. The best way to know is to book a consultation and have a conversation! If a destination is outside of regular range; you will know any / all additional expenses prior to booking

DO YOU BRING A SECOND PHOTOGRAPHER?

If requested, and for an additional fee, I can bring an additional photographer for extra coverage or for drone / aerial photography or videography. Let me know if this is something you'd like to discuss
